A Message From the President

The President
National-Louis University
2840 Sheridan Road Evanston, Illinois 60201-1796
708 475-1100 ext. 2200 Fax 708 256-1057

Dear Class of 1990:

As the first graduating class of National-Louis University, each and every one of you takes with you something unique. As you leave the National community, you enter a new community--whether it be academic, professional or family. Wherever you go, you represent the spirit of the new National-Louis University, and so be proud!

Know that you carry with you the gift of an education that symbolizes more than a century of helping others. Know that you are qualified to succeed at whatever you might take on in the years ahead. Most importantly, know that your time at National introduced you to friendships that will endure for a long time to come.

I hope that your experiences at National have fulfilled you in much the same way that you and other students fulfill the meaning of the institution itself--by setting goals for yourself and staying committed to those goals until your dreams become a reality. If National has played even a small part in helping you to achieve your dreams, then I believe we have done our job, and I am thankful.

The door will remain open for you at National, with the hope that you will return again and again to share fond memories and to support your alma mater.

I salute you, the Class of 1990.

Sincerely,

Orley R. Herron

Free Street Warms Hearts

"What do you want to be when you grow old?" asks Free Street Theatre Too, the nation's only theatre company of Older Americans. And one might ask the Kids from Cabrini, also part of Free Street Theatre, what do you want to be when you grow up? Many of the Kids, like the Toos, want to act. The Toos and the Kids performed for nearly 200 students during their day and evening performances at the Chicago Campus. The Toos performed "Reflections," an original play about events that shaped the actors' lives. (They later performed at Lombard.) The Kids' play, "When the Drum Speaks," consisted of three African folktales, and included a rap.

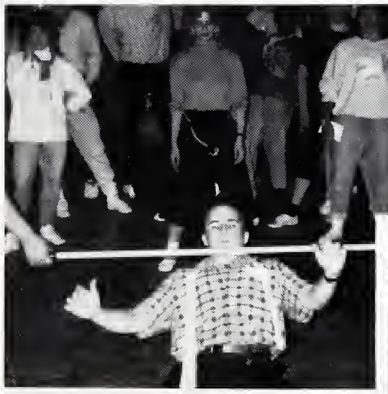
On Friday, October 20th, students danced the night away to the music of the 50's. Rootbeer floats, hot dogs, onion rings and cheese fries were served to enhance the ambiance of the evening.



Won't You Be My

On Friday, February 16th, students and their sweethearts danced the night away. One lucky couple was whisked away in a limousine to a romantic dinner at the 95th in the beautiful John Hancock Center.

Let's dance the night away.

CAREER FAIR: "The Future is Now"

Career Development and Placement and Student Affairs hosted the 4th annual Career Fair on the Chicago Campus. The theme "The Future is Now" was selected as incentive to students to use opportunities available through Career Development and Placement.

"Students and alumni were given excellent exposure to the professional world of networking" said Associate Director of Career Development and Placement.

SAB Sponsors Trick, Treats, and Turkey

The Chicago Campus Student Advisory Board had two fall activities. For Halloween, the board handed out candy, while "the Demon" supplied tricks. Gift certificates from the bookstore were awarded as prizes for the costume contest. Jamie Escobar, "the Demon," won for best costume and best actor. Jamie barely survived the day after one woman he scared hit him with her purse.

For Thanksgiving, the board served a full meal to both day and evening students, and the afternoon seating featured music by folk singer Kristin Lems, a Language Institute Instructor.

Your Opinion on:

university transition

Wendy Wilson
Sophomore, Business Admin.

"The transition from NCE to NLU has been long awaited. I do not believe there is any other institution more qualified than NCE. I am honored to be part of this occasion."

Dr. Victor Stanculescu
Head Soccer Coach

"This is one of the best steps forward in the college's life. University status will open the gates."

Omar Youhanna
Sophomore, Bus. Management

"I think a lot of students will start to come to National because it's going to become a university. I'd rather graduate from a university than a college. I think a lot of other students feel the same way."

Nuala Devin-Astrauskas
Chicago Campus nurse

"As a former graduate of National, I am particularly excited to be part of the ongoing expansion and upward mobility of our college, both on a world-wide basis and domestically."

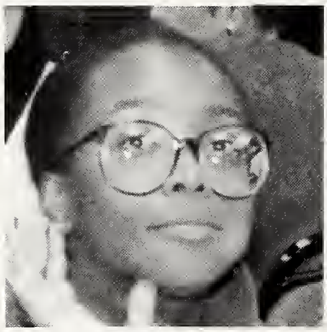
the push toward democracy throughout the world

Bogdan Pukszta
Admin. Dir.,
Language Inst.

"Countries around the world are giving a good example, and we are waiting for the transition in our local politics."

Kristen Kynell
Junior, International Bus.

"It is a positive endeavor for the U.S. to be a model for countries seeking democracy, but these countries need to maintain an identity of their own. A true leader does not change its followers but rather enhances their positive attributes."



Sharroll Vassel
Senior, Education

"Everybody agrees the release of South African leader Nelson Mandela was long overdue. His release helps push the agenda of democracy and the end of apartheid forward."

James Paradiso
Adjunct, Center for Entrepren.

Revolutionary geopolitical changes have created a demand vacuum for the freedoms which democracy and the private enterprise system promise, including Entrepreneurship Education.

A Picnic in Winter? . . . Nah!

"Standing by the fire it **feels** like Summer."

Well Student Senate has planned a lot of crazy events, but never an outdoor picnic in January! On a sunny Sunday many students ventured out to the Athletic field for a picnic. We thought we'd have sled races, we thought we would build a snowman . . . but there was no snow! Maybe we could play softball . . . nah, it was 30 degrees out! I guess the one good thing about a picnic in January, we could guarantee no bugs!

"What, no watermelon?!"

"My burger might be just as frozen as I am."

"Banana Boats, I'm sorry I never joined girl scouts!"

"Cheese burger, Cheese burger."

African-American History Month

February marks African-American History Month. The Chicago Campus recognized the achievements of African-Americans with several events beginning with a January reception for Dr. Martin Luther King's birthday. Ray Thompson, a student, and another performer sang an original song with a reggae beat commemorating Dr. King. Poet Laureate Gwendolyn Brooks graced the campus with a poetry reading, and the school hosted a celebration which featured readings by staff and students, jazz and Kenny's ribs.

Campus Promotes Health Awareness

Health Services on the Chicago Campus hosted a health fair. Presenters from the Chicago Fire Department, Planned Parenthood, Midwest Association for Sickle Cell Anemia and others staffed information booths and conducted seminars. Students also participated in the America Cancer Society's "great American Smoke-Out," and saw "The Wizard of Aids", a play which shows it takes courage, brains and a heart to face AIDS.

NCE's Earth Day Celebration

Carolyn Bair, VP for Student Affairs and Jen Lee, a sophomore, helped in the festivities.

On April 23rd the students of National College celebrated Earth Day by planting a tree. Since the world is experiencing a depletion of the rain forests which provide our oxygen, we thought we'd contribute by adding a tree back to our Earth.

The Chicago Campus:

Friendly and Diverse

Metro-versity . . . the university of the future . . . NLU's Chicago Campus . . . friendly and diverse: These labels reflected the sentiments of those on campus.

Sporting a soccer team with players from Colombia, and Baghdad to name two countries represented, and celebrating its ethnicity with active Chinese, Hispanic and African-American Clubs, the Chicago Campus is in a sense that catchword of the nineties: Global.

On campus, students enjoyed performances by Free Street Theatre, AIDS Educational Theatre, and Gwendolyn Brooks.

Thank You Dr. Weaver

We the students of the Chicago Campus would like to recognize Dr. Donna Weaver for her seven years of service as the Chicago Campus Director.

In an interview with yearbook editor, Cecilia Lepe, Dr. Weaver reminisced about seeing the campus grow from two floors to five. Her proudest moments have been seeing the growth of students who have graduated, become successful and made important contributions to society.

When asked what she would like to say to Chicago Campus students, faculty, and staff, she responded, "Thank you, for being a teacher and friend, for sharing successes and failures, for working together and making great contributions to society. It has been a pleasure and a labor of love."

On behalf of the students, faculty and staff, we would like to congratulate Dr. Weaver, on her new position as Dean of Business Programs. Most of all, we would like to thank her for being a genuine and caring friend to the Chicago Campus.

Soccer: The Lakers

The Lakers' challenging season included its fourth consecutive championship in the Chicagoland Collegiate Athletic Conference. The team, under the direction of Head Coach Victor Stanculescu and Assistant Coaches Costas Spirou and Manny Tovar, made district play-offs, but lost to rival Sangamon.

Varsity player Jonathon Johnson says, "We had a good season because we won all conference and made it to the playoffs, but we should have won it all."

Varsity player Farris Youhanna had the most goals, 27, and assists, 19, for the Lakers in the 1989 season.

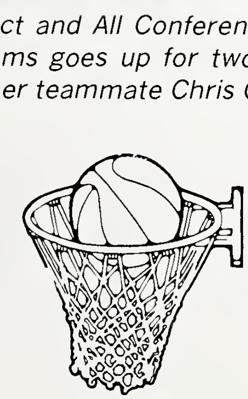
Women's Basketball

The 1989-90 Women's Basketball Team ended their season on a high note. After suffering through a winless February, the team bounced back to qualify for District 20 Tournament Play and beat Greenville 73-64 to make it into the quarter finals. Then lost a hard fought battle to Rosary 77-84. The team ended the year with a 11-17 record (5-7 in conference). Quickness enabled the Lakers to lead the conference in steals.

All District and All Conference player, Lisa Adams goes up for two with the help of her teammate Chris Claerhout.



Freshman LaVerne Steele shows her quickness in a drive against Rosary College.

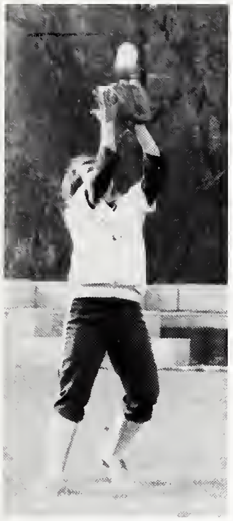
Standout Angie Coppage shows her jumping ability.

VOLLEYBALL 1989

The Volleyball team finished 14-27 overall and 2-5 in conference. The Lakers were invited to the NAIA District 20 Tournament and finished eighth.

Sophomore Julie Satkiewicz was named to the CCAC All-Conference Team.

Softball



I got it!

Yeah, way to go team!

Nice save

The softball team finished second in conference with a 8-2 record. The Lakers were 18-22 overall and captured fourth place at the NAIA District 20 tournament. Junior Cindy Swartzloff was named MVP of the CCAC conference and also made the all-district 20 team. Swartzloff was joined on the all-conference team by Sharon Talach, Christa Barkdoll and Laurie Stanley.

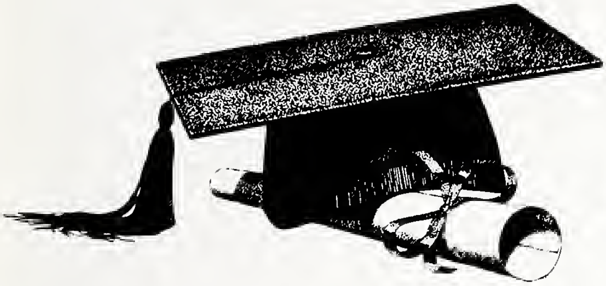
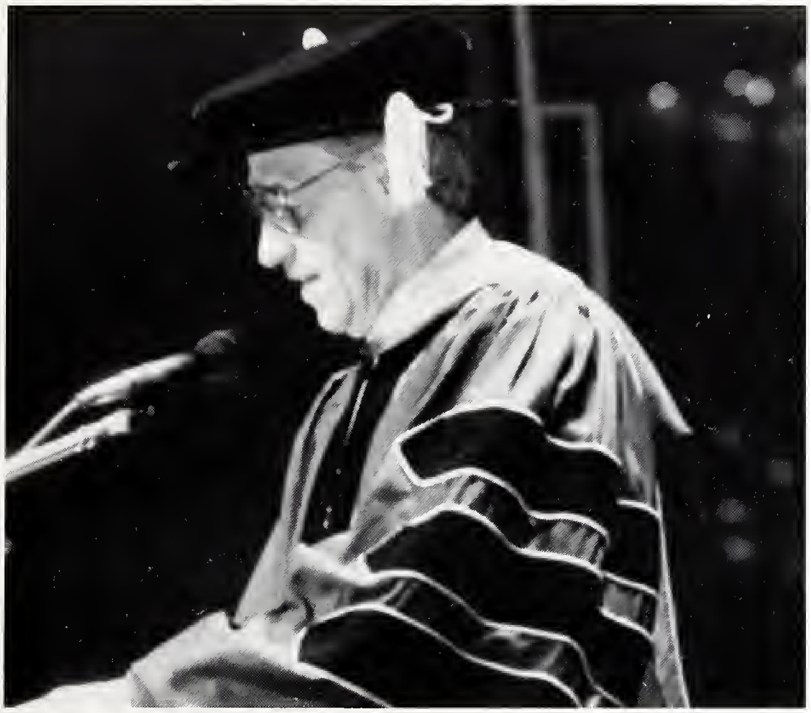
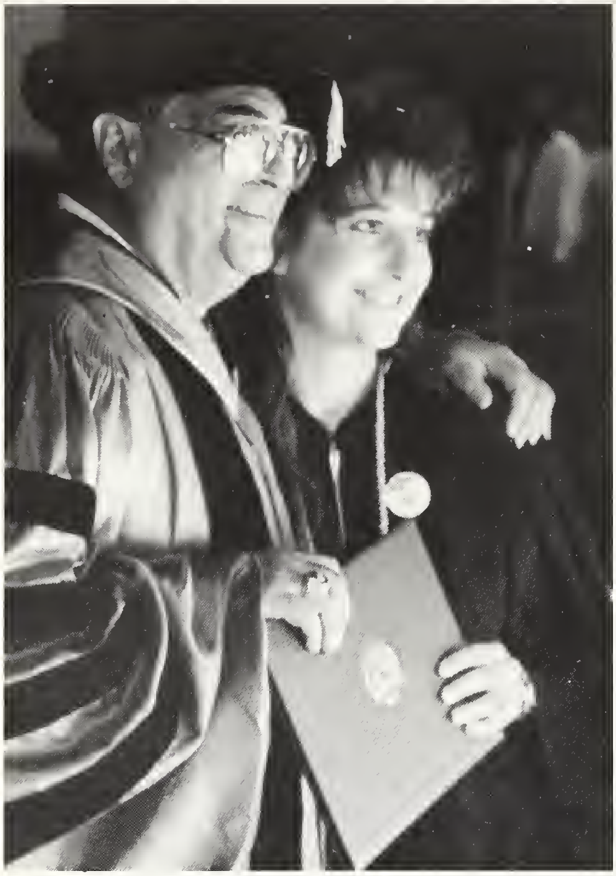
ROSEMONT HORIZON
ROSEMONT, ILLINOIS



National College had a very special graduation for it's 104th Spring Commencement exercises. On June 9th, 1990 National College of Education Officially changed it's name to National — Louis University marking the beginning of a new era for the school. An estimated 12,000 people filled the Rosemont Horizon for this momentous occasion. And now, let us present the first class of graduates from National — Louis University . . .



Students donated books in honor of "Project Literacy". This too, was the start of a new tradition for National.



Friend

Friend, we've laughed
When humor had passed

Friend, you listened with
Closed lips while
Opening your heart

Friend, you felt my sorrow
And we formed one tear

Friend, these things
I'll always remember
As the thought of you
Warms my heart.
